ABOUT THE PROJECT

The project is supported by Somerset Skills and Learning and is for adult residents of Wellington and West Somerset areas.

The aim of the project is to :

Improve Knowledge and Understanding

of the Global dimension and issues of sustainability to local residents.

Enhance

local residents knowledge about the different cultures living in Somerset and improve understanding of the global dimension

Extend

the equalities agenda to groups and members of the community who do not have access to some opportunities.

WHY JOIN THE PROJECT?

The project is an opportunity for people from different cultures to meet, learn and share their individual cultural backgrounds with the people of Somerset.

If you are a volunteer from a local community group

you may want to learn about other cultures.

If you're a local resident

and would like to learn about other cultures and you would like to share about your culture.

If you are from a different culture this may be an opportunity for you to share about your culture and learn about other cultures.

WHAT THE PROJECT CAN DO FOR YOU

We offer free training

on issues of global diversity, sustainability and citizenship and its relevance to Somerset residents.

An opportunity to network and meet people

from other cultures in your local area. We provide a place to meet share local and cultural food and discuss issues of mutual concern

A chance to celebrate your culture and learn from each other

about the global dimension and what it means to be different living in Somerset.
