## ABOUT THE PROJECT

Based in rural Somerset we provide a forum for people of diverse backgrounds to meet each other , celebrate their cultures and learn from each other:

### Improve

#### knowledge and understanding

of the different cultures, provide support, advice and social gatherings .

### Enhance

local residents knowledge about the different cultures living in Somerset and improve understanding about the cultures in Somerset

### Extend

the equalities agenda to groups and members of the community who do not have access to some opportunities.

## AIMS & OBJECTIVES

The project is an opportunity for people from different cultures to meet, learn and share their individual cultural backgrounds with the people of Somerset.

### Connect and Share

We connect, share and Support people and families in rural areas in order to learn from each other

### We Create Opportunities

to explore issues of mutual concern and promote a sense of individual identity, pride and belonging.

### Organise Meetings

and conferences as an opportunity for you to share about your culture and learn about other cultures and discuss issues that are local to Somerset..

## WHAT THE PROJECT CAN DO FOR YOU

### A safe place to meet

on issues of global diversity, sustainability and citizenship and its relevance to Somerset residents.

### Themed and fun gatherings

from other cultures in your local area. We provide a place to meet share local and cultural food and discuss issues of mutual concern

### Research and Information

about the global dimension and what it means to be different living in Somerset.
